

FREE FARMER HEALTH CHECKS

What's in it for you?

The 20-minute Health and Lifestyle Assessment is conducted by a trained agri health professional who understands farming life and work.

The Assessment Includes:

- Blood cholesterol, blood glucose and blood pressure testing
- Eyesight check
- Height, weight and body mass measurement
- Safety practices
- Information on your health status and how to improve it

WHEN

MONDAY 30 MAY
9:00am to 11:30am

WHERE

BENGWORDEN HALL

**NO APPOINTMENT
NECESSARY!**

Very important service for farmers ... good idea and concept that ticks all the boxes of health ... much needed for the industry ... I appreciate the time given ... the health assessment was good, and care and empathy shown by all the staff.
