

Experiences of Coronary Heart Disease Healthcare

We want to hear from YOU!

Researchers from Deakin, Curtin, and Latrobe Universities are wanting to hear community views on **gender equity in Coronary Heart Disease (CHD) healthcare pathways**.

Are you:

- Aged 30 or over?
- Had a coronary heart disease related event?
- Are more than 1-2 months post hospital discharge?

If yes - get involved in this study by contacting us on the details below:
