

# Farm Safety Event

## 3rd October 2025.

### Farm Safe and Strong: Practical tips for improving safety when working with cattle.

Join us for a hands-on event dedicated to improving safety and well-being in agriculture – and especially during challenging times.

Whether you own your farm, are a farm worker or studying agriculture, you'll gain tools to protect yourself, your team and your future.

#### Session covers

- **Session 1 – Livestock handling and your health and safety** presentation by National Centre for Farmer Health
- **Session 2 – Livestock handling** presentation by WorkSafe Victoria
- **Session 3 – Farm Safety demonstration**
  - Cattle handling yard work presented by Agriculture Victoria
  - Loading and unloading of livestock presented by Mick Debenham (Safety Management Systems)
  - Vet safety including cattle crush safety presented by Dr Kathryn Robertson (Livestock Vet Services)
